

AFT-Kansas Text Message Service Easy Sign-Up Instructions

One of the goals of the ***Saving Kansas Communities*** program is to keep *United Teachers of Wichita, Local 725* members up-to-date on critical legislation by text message.

This service will allow you to find out what is happening first!

Using your mobile phone right now, send a text message with the word **LOCAL725** to **738674**. We will send you text messages with details on how you can participate in upcoming actions.

Tell your friends and coworkers that you have joined the new AFT-Kansas mobile program. Ask them to also text **LOCAL725** to **738674**.

While AFT-Kansas will never charge you for text messages, your mobile service provider's Message & Data rates may apply.
