UTW Announces “Friend of Education Award” Winners

**UTW is proud to announce the recipients for the 2011
UTW Friend of Education Award:**

Senator Jean Schodorf, Senator Carolyn McGinn, and Representative JoAnn Pottorff.

UTW applauds the efforts of these Wichita area Republican legislators for their hardwork and dedication to the education of the students of Wichita Public Schools. It is encouraging to see politicians in Kansas willing to go the extra mile to do what is right for public education. Students cannot speak for themselves in our political system. Senators Schodorf and McGinn and Representative Pottorff are to be commended for their pro-education stances when many of their Republican colleagues seem to be going out of their way to harm public education.

The UTW Friend of Education Award was given to the recipients on Monday, Dec. 19th, at a monthly UTW meeting.
